NEWS AND INFORMATION

Frances' Environmental Grant. Thank you Western Water

Last Thursday morning I attended the presentation for the Frances' Environmental Grants at the Community Garden next to St Anne's Catholic Church in Riddell Road. We had put in an application for \$2000 to support a project called "Growing Health Champions- Sunbury Heights Kitchen Academy Project." The photograph shows me with the other Sunbury winners! We will use the grant to build more raised garden beds so that an adequate crop of vegetables, herbs and fruit can be produced. The garden beds will be made of sleepers so that students and the community can sit on the edge and look at the growing produce. Left over funds will be used to buy soil, fertilizer plants and seeds. It was a freezing morning but well worth the frostbite!

Car Bike Show

The Car and Bike Show held in partnership with PCYC helped us to do some much needed fundraising and we are hoping it will become an annual event. We rose a little over \$2000 for Sunbury Heights.

There were many families who contributed to the success of the day. Thank you to Sharon and Ben Ramunno, Jeff and Laura Garner, Julie Desira, Sharon Bertram, Carl Ashford, Tracy Mitchell, Annette Williamson, her mum Ann and Krystal Twyman.

Thank you to all the students who also helped and to the families who came up to support the event.

Disco

Thank you to the Parents and Friends Committee for organising a Disco for our students on Friday November 8th.

The Prep -2 Disco will run from 4.30pm-6.00pm and the Grades 3-6 disco will run from 6.30pm-8.30pm.

It is a fun filled night for our students with one of our past students DJ Sahar playing the hits.

At only \$5.00 entry per child we hope to see as many students there as possible. Glow sticks novelties and hot and cold food available.

Flavours of the World Food Lunch:

Our Canteen Manager, Jo and her helpers of Anashree, Kylie, Maria and Jenny, certainly had their work cut out for them on Wednesday preparing 125 Flavours of the World lunches. The children all enjoyed their lunch and had the opportunity to try food from different cultures. Thank you to Jo and her helpers for all their hard work in preparing and serving the food.

Uniforms

With parents preparing to update their children's uniforms for the 2014 school year may, I just remind you of the great idea of choice that is available for your child.

School Council Uniform Policy is included for your reference:

Drink Bottles:

With the warmer weather creeping in we encourage students to stay hydrated and make sure they bring a water bottle to school for use within the classroom. Individual teachers have classroom rules about whether bottles are on tables, on the sink or kept in a bag. We encourage you to send along water for your child to drink from during the day. Students wanting to leave the classroom for a drink interrupt their own and their classmates learning

Sunbury Music Camp

Don't forget to support our budding musicians at next Thursday's Music Festival. Our 1/2 students will be performing at the festival and according to their classroom teachers they are getting ready to get loud! The Festival this year will be held at Salesian College and the students will be performing at approximately 10.30. Ms Harding, Mr de Waart and Mrs Xuereb will attend with the children and they would love to see you there cheering on the children.

Melbourne Cup Day

Please remember that Tuesday November 5 is a public holiday and there is no school on this day.
