

3rd August 2017

Sunbury Heights will be celebrating National Science Week next week, 7th – 11th of August.

All students will participate in fun activities during Science lessons, based on the theme of **Future Earth**.

Classes will explore how we can protect the Earth for future generations. There will also be some fun Science Trivia happening in classrooms.

who wants
to win...

All students will have the opportunity to be involved in a Science Week competition with some fun prizes to be won, as well as all work going on display in the school atrium.

COMPETITION

Draw, paint, make a collage or a 3D display of what you think our Earth will look like in 100 years. Be creative and think about how technology, building, rubbish etc. may change the way the planet looks.

You can draw the whole Earth, or choose a place you love to recreate in your design.

Make sure to include your name and grade and please place your final piece in the labelled box found in the atrium by Friday 11th of August. All entries will be displayed for the community to see and are also in the running for a prize.

If you have any questions, or if you need some paper for your entry, please see Mrs Langmaid.

August

Tues 8 th	G2M – Sunbury Library Excursion
Mon 7 th – Fri 11 th	Whole School - Science Week
14 th – 18 th	Whole School – Book Week
16 th	Preps – Sunbury Library Visiting Sunbury Heights Preps

11 th	G3-6 - Woodlands Athletics (Selected students)
13 th	G5-6 – Metro 'Art' Incursion
18 th	School Council Meeting
25 th	Whole School – Last Day of Term – EARLY DISMISSAL

A note from the Assistant Principal

The days may be cold, however the learning is heating up in our classrooms. The year 5 and 6 classes are travelling back to the 1850s when the words "Gold, Gold, Gold!" were on everyone's lips. In Science, Mrs Langmaid has our students learning words such as *tangible*, *viscosity*, and *rigid*.

Thank you to all the families who have taken the time to give us feedback about the recent student learning conferences. Your input is very much valued and we really appreciate the fantastic response. The staff will now take the time to consider your thoughts and use these to improve our practice in 2018. This survey is now closed. Next week, the **Parent Opinion Survey** will begin. Each year, a random sample of families are selected. If you are selected, can I please ask you to take the time to complete this as your opinions are important to us and will contribute to the future management and organisation of our school. For example, feedback from parents helped to change the way we structure Parent-Teacher interviews. This year the surveys will be online and designed to take **no more than 20 minutes to complete**. Please be assured that your responses are completely confidential. The survey is conducted anonymously and it is important to us that you complete the survey as honestly as possible.

NED is a loveable cartoon character whose name is an acronym for **N**ever give up, **E**ncourage others, and **D**o your best.

The NED Show attended yesterday and preformed their production, and the message of NED was received by the students in a fun and entertaining way. All the students found The NED Show enjoyable and amusing. In addition, the yoyo tricks were very interesting. *As the production was preformed free of charge, we are required to sell yoyos to help cover the cost of the production.*

*A team of grade 6 students will be selling the yoyos at the grass area outside the BER building during snack and lunch from Thursday 3rd Aug – Wednesday 9th Aug. Yoyos will not be available to be purchased from the office. See leaflet that was sent home on Tuesday regarding prices and accessories available. **Please remember that it is not compulsory for students to purchase yoyos.***

Sunbury Library and Post Office Excursion

Grade 1 & 2 students are beginning their library visits. These visits are part of their unit on Communication and Technology. On Tuesday 1H & 1D used technology on offer at Sunbury Library before posting personal letters at the Sunbury Post Office. Part of the unit requires the students to investigate the length of time a letter takes to reach its destination. The remaining 1/2 classes are looking forward to their visits.

Casual Clothes Day

Thank you to all our families that help support our casual clothes days. We raised \$309 for Juvenile Diabetes.

SOUND WAVES

SOUNDS OF THE WEEK
Rusty Robot – r, r, r
Pretty Pink Pig – p, p, p

 pupil of the week
 kate, georgis, alicia, george, lev, cole, jacob, charlotte, emily, margie, kane, lewis, courtney, elliot, rebecca, olivia, nathan, megan, georgia, liam

GRADE	STUDENT	REASON
Prep H	Gracie	For displaying good listening skills.
Prep F	Eddy	For always contributing to class discussions.
1H	Tristan	For fantastic counting on our 100 days of school.
1D	Alexandru	For beginning work quickly.
1U	Rose	For playing safely in the yard with friends.
2M	Cooper	For his interesting questions and contributions about communication.
2B	Jaiden H	For outstanding work presentation.
3D	Ebony	For always maintaining a positive approach to all learning tasks.
3J	Brooklyn	For working hard to improve her writing.
4M	Luke	For his persistence in every task.
5K	Shannon	For his improved efforts in home reading.
5A	Hayley	For settling in well to her class and our school.
6K	Isaac	For being kind and helpful towards his peers.
6PA	Arnav	For valuable contributions to class discussions.
SCIENCE	Anthony (3J)	For continuing to be actively involved in science discussions.
LOTE	Kaiden M	For his improved effort and behaviour.
ART	5K	For working responsibly in Art.

It is important when on school premises or at offsite school events, that parents, carers and members of our wider school community only take photos or videos of students from their own family. This is for reasons of privacy and student safety. It is also in line with our eSmart policy. If you choose to photograph or make a videorecording of your child, we request that you avoid photographing other students in the background. Examples of times to be mindful of this are during 'Pupil of the Week' presentations, sporting events, concerts and special event days.

100 Days of School for our Preps

On Wednesday our prep students celebrated their 100 days of school. They had a fantastic day and made '100 Days Smarter' crowns.

A beautiful baby girl Abby Summer Lewis arrived Monday 31st July at 10.24am weighing 2.97kg and 50cm long. Congratulations to Rebecca, Wayne, Sarah and Hudson.

3rd Aug – 9th Aug 2017
