School Council

We have been very fortunate over many years to have had a very active school council who have worked hard to ensure resources are allocated so that the students of Sunbury Heights are able to have the same opportunities as all other students from across the state. They have been committed to our school and always have represented the school in a positive light in the community. Most members of a school council are parents of children at the school. A smaller number of members are Department employee members, usually school staff. Other members can be co-opted by the council. On Friday 9th February we will be declaring five parent vacancies for the 2018 and 2019 school year. An election timeline has been established and nominations close on the 23rd of February.

If you would like to nominate someone who you feel has the best interest of our school at heart you may nominate them or the process allows you to self-nominate. Nomination forms will be available from Friday 9th February from the front office. If you would like to find out more information about the role of school council and about nominating there is a link on the DET website.

A note from the Principal

Monday morning was a hive of activity as our foundation (prep) students took their first step on their education journey. The students quickly settled into the routine of school and this week have enjoyed playing with and getting to know their buddies, learning some Italian, science, art and PE with our specialist staff.

The staff and I are looking forward to meeting you all at the prep family bbq. We hope you can make it so that we can catch up in a more informal setting. Thank you to you all for supporting the staff and making sure your children are prepared and ready to start every day at school with a “can do” attitude. I know everyone would want me to thank Caitlin, Jackie and Alycia for all the time they have put in to ensure the kids first week at school was a great one.

HAPPY

BIRTHDAY

Meet Miss Mani

Hi, my name is Miss Mani and I am the new grade 2 teacher. I am so excited to be working and I feel extremely welcomed into this beautiful school!

This year I will be working with the amazing students in 2C and their families to learn and most importantly have fun, I look forward to all our adventures together!

I would like to tell you a few things about myself, I was born in North Cyprus and moved to Australia when I was only 2 years old. I live with my parents and my older brother, I love travelling, I have visited over 10 different countries in the last 5 years, and my favourite colour is purple. I also LOVE singing and dancing, however 2C don't really like my singing or dancing... I'm not sure why, I think I have great skills!

I look forward to meeting you all throughout this year and thank you for making me feel very welcomed.
Miss Mani

Breakfast Club

Tuesday and Thursday mornings in the community hub are great opportunities for both yourself and your children to meet with other families and students over a slice of toast! Everyone is always welcome and if you are good at slathering on a bit of butter and vegemite Sharon and the other volunteers can always do with a helping hand.
