Premiers Readers Challenge

Congratulations to the 370 students in the school who completed the Premiers Readers Challenge. All students will be acknowledged at Assembly tomorrow and certificates will be given out by their classroom teachers.

Thank you to Mrs Mac for her initiative to introduce literacy into our House Spirit Program. The scores were close, but Laver are certainly the house who love literacy!

Every student in Laver house who completed the PRC will receive a book which they can choose during their library time next week.

A note from the Principal

Remembrance Day Poster Competition

Congratulations to Lana Hately who has been selected from over 140 entries in the Shine Remembrance Day Poster Competition. Lana and her family will attend the Remembrance Day Service at the shrine on Sunday 11 of November and participate in this important day of commemoration. In her role as School Captain Lana will lay a wreath at the Shrine on behalf of our school community.

Today and tomorrow Lana will be selling commemorative merchandise outside the canteen and before and after school.

In the week leading up to Remembrance Day, teachers will be talking about the relevance of the day within their classrooms. However, as Remembrance Day falls on a Sunday, we will not be holding our own commemorative service at school.

Visitors from Japan

Today we hosted our second group of visitors from Japan. The visitors were here to learn about the Australian School System. They were very impressed with our school and how welcomed they felt by all the staff and students. For My Knight's grade it was opportune timing. As part of their Asian studies unit their focus for the next two weeks is Japan. The grade asked many interesting questions about Japanese lifestyle, schooling, sports, recreational activities and family structure. Through their questioning they received firsthand information that they will now be able to add to the podcasts they are producing.

Proud of our Awards

Back in July we took part in Wakakirri. Wakakirri is a performance based competition telling a story of your choice. Our story was called "Path to Victory" and was about working hard to achieve success. Although we were unfortunate not to win, we did take away some amazing titles, including:

- Excellent Individual Acting
- Excellent Original Soundtrack
- Excellent Performance Teamwork
- Excellent Overall Costume Design
- Excellent Shirt Design

We are very proud of all of the participating students who put in a super effort and the results were amazing. We are looking forward to performing our Wakakirri piece for you all during our Cushion Concert in December.

Mums who help their kids... Grown up and still providing support

Thank you to Amanda Uphill and Debra Portelli for volunteering and giving their children Ben and Nicole a helping hand in the classroom. It was great to see both these ladies today and the children certainly enjoy the one on one attention they can provide.

HAPPY BIRTHDAY

8th – 14th November

Jack J, Willow, Ayce, Xander P, Jimmy, Rhys

If anyone else from our community would like to volunteer in some capacity we are currently looking for parent helpers to hear reading, and our main need at the moment to help man the sausage sizzle stall on Election Day. We are looking for teams of 2/3 people per hour.

We feel this will be a great fundraiser for the school, and if this is something you feel you could help us with, it would be much appreciated. Please let Jo A at the office know if you can assist.
