Jack K, Adam, Cooper H, Kayla, Alejo,
Emma B, Chanaka, Jessica**

ASSEMBLY

FRIDAY 22 JUNE – 2.45pm
FRIDAY 29 JUNE – 9am

Parking & Road Safety

I have continued to make regular contact with Hume City Council about the design of parking at the front of the school. I do have a reference number, but as yet no one has been out to inspect the situation. If members of the community also have concerns about the situation I ask you to consider making a call to council as a concerned community member.

Mural Launch

Over the last semester students from Year 5 have been working on a Community Art Project with Nikki Gallus. This piece of art work will be placed on the white wall at the end of the grassed area in between the BER building and the Year 1/2 classrooms. Today the students have unveiled and launched the “Mural Concept”. The launch involved the mural (2m by 1m) being cut into 120 jigsaw pieces and placed in two boxes at the wall. The Year 5 team then invited students to come and choose a piece of the jigsaw and find the spot on the wall to place it. In no time the “great reveal” occurred. We now look forward to the actual mural being painted and taking pride of place in the courtyard. Thank you to the Year 5 team and Nikki for all the work that has gone into the design.

Mother and Daughter ... lighting up science

It was a pleasant surprise to welcome Lyn Laing back to school on Wednesday. Lyn, a long standing member of our staff, popped in (well, stayed all day really!) to provide an extra pair of hands for her daughter Erica Andersen with her science lesson on parallel circuits. The students in Anne Killeen’s grade certainly enjoyed the challenge of making the circuits and having the mother and daughter team on hand to help them get everything a light.

Coles ‘Sports for Schools’ Program

We now have the final count of vouchers that the school collected for the recent Sports for Schools program.

Are you ready for it it’s amazing .. we collected **43,342!**

Thank you to everyone involved. Miss Barnes is very happy as she has been able to order some great new items for the school from this program.

Year 5/6 CFA Incursion

The Year 5/6 students have been learning about Natural Disasters. The Sunbury CFA crew came and spoke to the Year 5/6 students on Tuesday. They presented information about what we should do in case of a bushfire. The CFA showed videos about how quickly a fire can spread and how embers can start spot fires. A highlight for the kids was to see how the firefighters protect themselves in their truck if the fire is too close. Mrs Payton and Miss Koller were so excited to have the opportunity to operate the fire hose.

Foundation Victoria Police Incursion

On Monday the Foundation students had the pleasure of meeting Amanda and Rob from the Victoria Police. They got to try on the police hats and vest. The highlight of the day was seeing the police car and sitting in it for a photo. Many children covered their ears when the siren went off! Boy was it loud. A huge thanks to Amanda and Rob for coming to Sunbury Heights and sharing with our students the importance of your job.

Be the nice kid

Congratulations to Taleisha from Prep H who has on this term's 'Be the Nice Kid Award'. There were many students across all year levels who were seen to be displaying our school values of Kindness, Respect and Responsibility so it was a difficult decision. Staff and many visitors have commented on Taleisha being a nice kid, the one who is happy for other kids when they win, who plays happily with a wide circle of children and the one who goes out of her way to help everyone. Taleisha received a pass to The Melbourne Star to have some holiday fun with her family. The Melbourne Star are offering some great deals over the holidays and it is a wonderful day out if you are looking for something to do.

Taleisha is pictured here with her buddy Lachlan.

Start Smart

2018 is Start Smart's eleventh year in Australian schools and they have been visiting Sunbury Heights Primary since 2013. Teresa facilitated the program for students in years 1 to 6. Teresa provided workshops that were engaging as well as educational, and hopefully will empower students to make wise financial decisions for themselves in the future.

The Commonwealth Bank Start Smart Program is the world's largest free financial literacy program in schools today, delivering workshops to over 500,000 students every year. The Primary program consists of six stages, each of which corresponds to a different level of learning.

Shared Facility

On Tuesday evening the schematic drawings for the Sunbury Community Learning Hub were presented to our School Council, Sunbury Downs Secondary College, local council and residents. Everyone who attended now has a clearer understanding of what the facility includes and the possible impact it will have on our neighbourhood.

Red Nose Day – Last day of term celebrations

On the last day of Term we will be supporting SIDS through the Red Nose Day appeal. Being a red theme, this will be run by the Laver house.

We already have a special 'sausage sizzle' lunch organised and everyone should have received their order forms. Jo will be selling red items (via counter sales) throughout the last week of term and there will be a casual clothes day (gold coin donation), with a red theme of course!

If Laver families would like to donate red items that students can sell to raise funds for the cause, it would be much appreciated. These items can include red jellies, small bags of red lollies, red cupcakes...the list goes on! Items can be sent in with your child or delivered to the school on the morning of Friday 29th June.

Wakakirri

Enthusiasm for Wakakirri continues to grow. We hope you have been able to purchase your tickets for the performance and if other tickets are allocated to our school we will let families know as soon as possible.

Thanks to the team at school we have now finalised the design of a Wakakirri Windcheater for the students to wear as part of their school uniform for the remainder of this year.

The long sleeved windcheater (pictured) is reflective of our performance "Path to Victory" and we hope everyone is able to purchase one. This top will be able to be worn as part of school uniform for the remainder of 2018. If your child is in Wakakirri please get the form in ASAP so that the tops can be ready for day one of Term Three.

SUNBURY HEIGHTS PRIMARY SCHOOL PARENT TEACHER INTERVIEWS

Book School Interviews Online

Dear Parents,

Student Achievement and Learning Conferences will be held between:

1.00pm – 7.00pm on Tuesday 26 June 2018.

You can book school interviews for the times that suit **YOU**.
BOOKINGS OPEN ON FRIDAY 8th JUNE AT 10AM and CLOSE FRIDAY 22nd JUNE 2018 AT 4PM
Go to www.schoolinterviews.com.au and follow these simple instructions.

Students at all year levels are expected to attend this conference.

Go to www.schoolinterviews.com.au and enter our school code.
Then follow the 3 simple steps.

School code: hvqce

1. Enter your details

2. Choose teachers

3. Choose times

When you click finish, your interview timetable will be emailed to you automatically.
If something comes up you can return to www.schoolinterviews.com.au and change your interviews until bookings close.

REMINDER

Please can we remind you that when students attend a school excursion, they must wear school uniform.

This is not only to be well dressed when representing the school, but also for the safety of the children so they can be easily recognised by staff.

Sunbury Futsal School
Holiday Program

Monday 9th of July
9am till 3pm
\$50 for the day

www.sunburyfutsal.com

HOUSE SPIRIT LUNCHTIME DODGEBALL CHALLENGE

Thursday 21st & Friday 22nd June 2018

Well done to all the students who represented the school at today's Winter Sports.

Thanks to all the teachers and parents who helped, and a big thanks to the weather for staying kind. T-Ball won the small schools division. Football lost their first game by a point, then won their next 3. Netball got a few good wins and soccer made the Grand Final.

School holiday fun.....

Don't miss out on the
2018 Great Sunbury Gnome Hunt
 Application forms available from the school office.

SUNBURY HEIGHTS
