A note from the Principal

WOW, what a brilliant turn out for our MAN-ificent Breakfast on this cold August morning. We understand it is not always easy taking the time away from your busy schedules, so we really do appreciate it and we know the students do too.

Thank you also to our team of staff and volunteers who work so hard to make all of this happen. There is weeks of planning involved to ensure our families are well catered for and of course, have fun! Wishing all the special men in our lives a happy Father's Day on Sunday.

Y1/2 CERES Incursion

On Monday the Year 1/2 classes attended the CERES incursion. The students got to hold worms and were amazed to find out that worms don't have a gender, they are hermaphrodites.

The students sorted rubbish into the correct bins. They had to decide what could be recycled and what was landfill. Students learnt that a lot of things could be recycled or reused. They also learnt that it's important to reduce waste and rethink how we can repurpose these items.

Supporting our Drought Stricken Farmers

Last Friday was an amazing day, not only did the sun shine all day, but we also celebrated book week, served up hundreds of parmas and raised a huge amount for the drought stricken farmers. It's amazing how much fun we had in one day!

The array of farmers and pirates was outstanding and the children took pride when taking part in the parade at assembly.

Thank you to Jo Miller, ES staff and our team of trusted volunteers who helped dish up 274 parmas to support the 'Parma for a Farmer' campaign. With the gold coin donations and the donations from the Parma's, we donated a huge \$700 to the 'Buy a Bale' campaign. We couldn't have done this without your support, thank you.
