A Message from Kerry Hicks (Business Manager)

Did you know you can pay your school account directly into the school's bank account?

Transferring \$5.00 weekly/fortnightly into your account (layby system) really adds up over the year.

When excursions, camps, etc come up, the money sitting in your account is then credited off the charge. If you are interested, please contact me.

NEWS AND INFORMATION

Liz Hill

At the end of term three Liz Hill our longest standing staff member will retire. Liz has taught at Sunbury Heights for over thirty years. In this time Liz has been a teacher, colleague, mentor and friend of Sunbury Heights through her active role on School Council. Many of the school's outside improvements can be attributed to Liz's love of the environment. Liz could often be found up at school on the weekend pottering around and planting. Maybe she will continue!

On Friday afternoon Liz's family, friends and present and past work colleagues will come together to celebrate Liz's retirement and wish her well with whatever the next phase of her life maybe. I know that many families in our school community have received the benefits of Liz's teaching and I will on your behalf pass on to her your thanks and best wishes for her future.

Dads and Donuts

You couldn't keep the smile off our prep students faces as they caught the eye of that special dad, grandfather, big brother or step dad who was able to come up to school to celebrate Father's Day last Friday afternoon. The students sang the significant men in their lives three songs before heading down to the classroom for an afternoon tea of donuts. They then headed out into the sun where everyone enjoyed playing on the playground and a kick of the footy. It was a terrific way to end the school week for our prep students. Thank you to Mrs Kelly and Mrs Adams for organising the afternoon concert, Sharon Ramunno the afternoon tea and Mr De Waart for filling in as a "surrogate dad" for students whose dads couldn't get out of their work commitments.

Premier's Reading Challenge

Sunbury Heights Primary School has had a long and successful association with the Premier's Reading Challenge. The aim of the Challenge is to promote a love of reading. It is not a competition, but a challenge to each student to read, to read more and to read more widely. The challenge finishes on September 12 (tomorrow) and no more data can entered. Please support your child in this last month to finish the challenge. Remember reading opens the door to everything.

Sleepy Time Tales

Talking about reading opening the door to everything I hear that our grade 1/2 students were very excited about cuddling up in their PJ's and onsies for last night's Sleepy Time Tales that Mrs Ross, Miss Portelli and Ms Harding organised for them. A big thank you to the 1/2 staff for giving the students another opportunity to be introduced to new picture story books and for fostering an even greater love of reading.

Winter Sports

The sunny conditions last Friday made the Winter Sports Carnival even more enjoyable for our students who participated in their chosen sport of either Kanga Cricket, Softball Basketball or Volleyball. I was fortunate to be able to spend time at each of the matches and cheer on our teams as they did their best in the small school's side of the competition. Congratulations to everyone who competed for their behaviour on the day, the spirit in which they played and the good sportsmanship they displayed towards the other schools and their team mates. Premiership pennants were brought back to school by the boys' kanga cricket team and the boys' volleyball team. Well done to you and to the coaches who prepared all of the teams for the carnival, Mr Knight , Miss Ratkowski, Mrs Langmaid and Mr O'keefe .

Woodlands Division Athletics

Congratulations to Abbey McDonald and Chloe Spiteri who competed in the Athletics on Monday. Abbey came 1st in 1500m and 800m. Chloe came 4th in both shot put and discus. Well done girls!
