

HEIGHTS HEADLINES

Term 4 | Week 9 | 2024

NEWS

Grade 6 Graduation

Our Grade 6 Graduation was a roaring success! The evening was a true celebration of the hard work, growth, and achievements of our graduating class. Our students set the bar very high and represented themselves and our school magnificently. We couldn't have been prouder of this remarkable group of young individuals as they took this important step towards their future. A big thank you is extended to the Grade 5/6 teachers and support staff who spent many hours preparing for the evening. Their dedication and commitment ensured that every student felt included, valued, and appreciated on the night. From organizing decorations to rehearsing speeches, their efforts made the event truly memorable. We also want to extend our gratitude to our wonderful parents and families who were a great support throughout the evening and beyond. Your encouragement and involvement have been instrumental in shaping these students into the amazing individuals they are today. Congratulations to the graduating class of 2024! We wish you all the best as you embark on this exciting new chapter in your lives.

EVENTS

2025 Class placements

Next Wednesday, students will meet their 2025 teacher and spend a session with their new classmates. This exciting transition marks an important step as students prepare for the upcoming school year. We understand that sometimes students may have their heart set on having a particular teacher or being with certain friends. We ask that parents assist their child in developing the vital skill of resilience by focusing on the positives. This is an opportunity for growth, new friendships, and new learning experiences. You can talk with your child about the positive things he or she is looking forward to in the new year. Please be assured that our dedicated staff have been carefully planning to ensure that every child feels supported and set up for success in 2025. We're confident this session will be a valuable and enjoyable experience for all students as they take the next step in their educational journey.

REMINDERS

School Reports

As school reports go live on Compass on December 18th, it's a timely reminder that school can sometimes bring anxious moments for children. Regardless of whether your child's report is good, bad, or somewhere in between, remember that they can wipe the slate clean and make a fresh start next year. It's amazing what a difference a summer holiday can make!

Important Note for Year 6

Students and Departing Families:

To all our Year 6 students leaving at the end of this year and any other families who are moving on, please make sure to download & save all your child's school reports from Compass, as your Compass accounts will be deactivated after the school year ends, and you'll no longer have access to these reports.

Christmas Concert

A reminder that our School Christmas Concert will be held on December 18th from 1:55pm to 3:15pm on the Oval. We look forward to celebrating the festive season with you. Don't forget, our Raffle will also be drawn at the end.
