Casual Clothes Day –

On the last day of Term 3, our Year 5/6 students are bringing a burst of colour and energy to SHPS with a special Casual Clothes Day. This fun event has been designed and organised by our senior students as part of their Term 4 Inquiry Unit – *Care for Kids*. Through this unit, students have been exploring ways they can take action to help others, make a positive difference in our community. To celebrate the end of term and support a fantastic cause, we are inviting all students to come dressed in casual clothes with the theme “Fluro - Like a Highlighter.” Students can go all out in bright, head-to-toe Fluro or simply add a splash of neon colour — every little bit of brightness will add to the fun and atmosphere of the day. We ask that all students bring a gold coin donation on the day. Money raised will be donated to Stationery Aid, a not-for-profit organisation that collects, sorts, cleans and repackages excess and used school stationery items. These items are then redistributed to students experiencing hardship across Australia, ensuring that every child has access to the basic tools they need for learning.

Why Stationery Aid?

This organisation aligns perfectly with our students’ learning theme of *Care for Kids*. By supporting Stationery Aid, our students are helping to reduce waste, promote sustainability, and most importantly, support underprivileged children who may otherwise start school without essential supplies.

End of Term Reminders

With the end of term quickly approaching, we kindly remind families to make sure students take home all of their belongings over the holidays. This includes:

- 🍱 Lunch containers & drink bottles – ready to be washed and reused in Term 4
- 🧺 Uniform items – check that jumpers, jackets come home
- 🧸 Toys and sports equipment – anything that has been brought to school during the term

The holidays are also a great opportunity to check the Lost Property for any missing items.

🧢 Hats for Term 4 –

SunSmart Reminder

As we move into Term 4 and the warmer months, it is important to remember that hats are compulsory for all students during recess and lunchtime. Wearing a hat is a key part of our SunSmart policy, helping to protect students from harmful UV rays and keeping them safe while enjoying outdoor play. Please ensure your child has a clearly named hat at school every day in Term 4.

REMINDERS

Important Notice: Toilets for Adults

The safety and wellbeing of our students is always our highest priority. For this reason, we must remind our school community that student toilets are out of bounds for all adults. We have recently noticed instances of parents and visitors using the student toilets. While we understand this may happen out of convenience, it is important that everyone is aware that this practice is not permitted. Our student toilets are designed exclusively for children, and for child safety reasons, no adult should ever enter or use these facilities.

To support our families and visitors, there are designated toilets available for adult use:

- 🚻 Accessible/disabled toilet in the foyer of the Admin Building
- 🚻 Toilets at the Dulap William Hub (DWH), which can be accessed during school events or when families are on-site. We ask for your cooperation in helping us maintain clear boundaries between student and adult facilities.
