**Wednesday 25<sup>th</sup> March 2015**

**LAST DAY FOR ORDERS TOMORROW (FRIDAY)**

**NO OTHER LUNCH ORDERS ON THE DAY**

**NO LATE ORDERS WILL BE ACCEPTED**

## NEWS AND INFORMATION

### Every Day Counts

Going to school every day is the single most important part of your child's education. Students learn new things at school every day. Missing school puts them behind. Of course we know that children become sick but please avoid getting talked into letting your child "have a day off." Congratulations to the following student who have had 100% attendance in semester 1.

## Parking In Charter Road East and Leichardt Street

At Sunbury Heights we are fortunate to have good neighbours in both Charter Road East and Leichardt Street who keep an eye out on our school over the weekend and school holidays. They are quick to report any acts of vandalism or trespass to the police. In many instances this has saved us a great deal of well-earned funds as they have nipped in the bud any unwanted visitors.

Today I had an email from a disgruntled neighbour who expressed concern about people parking in his driveway and on his nature strip when dropping or picking up children. I am asking parents to afford these neighbours the same respect that they show us. Please do not park in their driveways or on their nature strips when dropping off or picking up your children. Not only are they not areas for public parking, but it is a dangerous practice. Small children are then darting across the roads and not crossing at the crossing. By laws officers have been requested to attend the school site during these times and they have advised me that they will be fining people who park illegally around the school.

## Stepping Up Stepping Out

Students in grades five and six will be having their information evening on Tuesday 14<sup>th</sup> April. The focus of the evening will be on the ways in grade 5/6 Sunbury Heights we prepare the student for the next stage of their learning. Some of the topics for discussion will include study skills, time management, the benefits of homework club, decision making and social skills. Mrs Langmaid, Mr O'Keefe, Mrs Andersen and Mrs Pianura hope as many families as possible can attend. Parent engagement in their child's learning is just as important in Year 7 as it was in Prep.

## Homework Club

Congratulations to Rebecca Marcuse who is the recipient of this terms first Homework Club Award. Rebecca has attended homework club every week and is always focused on her learning. She manages her time well and tries to solve her own problems before asking for assistance. Any student in grades 3-6 are welcome to attend on a Monday afternoon between 3.15 and 4

## Save the Dates, Plan the Payments.

It has been suggested that parents would like a Term by Term Planner for their fridge so that they have an idea of what needed to be budget for in the upcoming term. Team leaders are currently completing their planning for term two incursions and excursions and a "Save the Date, Plan the Payment," flyer will come home as an attachment to next week's newsletter.

## Chocolates

Congratulations to all the families in the school for the return of the chocolates. The quick response has been outstanding. A big shout out to Mrs Ross' class who have returned all their boxes. Mrs Ramunno has told me she has a special treat planned for that class next week. If your money or chocolates have not been returned by the end of term the outstanding balance will be added to your school account.

## Partylite Fundraiser

We decided to go for something different for our next fundraiser, attached to this week's newsletter is an order form for you to order tealight candles.

Partylite have some beautifully scented, quality tealights available to purchase and fragrances are available in the Hub should you wish to smell them. This fundraiser will raise much needed funds to support the student's education. Please share this fundraiser with your friends and family.

### Orders and money is due back Monday 13<sup>th</sup> April

Thank you once again for your support  
Sunbury Heights Parents and Friends committee.

## Concreting

At school council the issue of trip hazards associated with the uneven concrete paths was brought to our attention. We are currently seeking quotes to have the paths repaired over the school holidays so the outside environment is safer for all who use the school paths and concrete areas.

## Early Dismissal End of Term One

Please remember that school finishes at 2.30 on Friday 27<sup>th</sup> of March for the term one school holidays

**HAPPY BIRTHDAY!**

### Junior School Council News – Flag Poles

### HELP US PROUDLY FLY OUR FLAGS

Our Junior School Council project to erect flag poles at the front of the school is well underway.

From the last casual day, \$222 was added to the \$241 raised last year, resulting in a total to date of \$463.

The original plan was for three flag poles so we could fly the Australian, Aboriginal and State flags side by side. However, flag poles have turned out to be quite expensive and we are now planning to erect only two poles at a cost of \$2183.50.

In addition to the money raised by the students we have applied for a \$500 grant from the Federal Government.

We still need over \$1000 to cover costs. If you know of anyone, or perhaps a company, who might like to make a donation to this project please contact Cathie Morcom.

### **Chicken Chatter**

We've had a fantastic response to our request for chicken sponsors.

The following families have decided to sponsor a chicken – Farrugia, Crowe, Williams and Denman. Chickens for these families will be purchased early next term and each family will be provided with a photo of their chirpy chicken. Once families have decided on names for their chickens we will publish a full list of names in the newsletter along with the photos.

The Oliver family kindly donated three lovely white chooks and it is likely that we will be given a chook and a rooster from one of our Prep families next term.

Our chickens live in relative luxury and enjoy food scraps from Mrs Hicks each day, and leftovers from the breakfast club on Thursdays. The eggs are used in our year one and two cooking program run by our resident 'Master Chef,' Mrs Williams.

**Reminder: School banking is every Tuesday**

**Rewarding good savings:**

To help reward individual savings efforts, every time a student deposits into their Youthsaver account through School Banking, regardless of the amount, they'll receive a Dollarmite token. Once they've collected 10 tokens, they can redeem them for a variety of exciting reward items. They'll also receive a certificate when they reach certain savings milestones.

**Available in Term 1 when you have collected 10 tokens are:**

School Banking is also a great fundraiser for our school. The school receives \$5 when children make their first deposit at school and a commission on every deposit made through the School Banking program.
