End of Year Reports

We hope that everyone has had the opportunity to read their child/children's end of year report. If you haven't accessed the report, it went live on Compass yesterday. The end of the year report is a summation of your child's year. When you read the report and before you discuss it with your child I encourage you to look for your child's strengths. These may be personal attributes, skills in subject areas or positive behaviour or effort. Please remember that this year has been a particularly challenging year for everyone and strengths need to be celebrated. If anyone has any concerns please don't hesitate to contact your child's classroom teacher or Jo Fogarty if your concerns relate to the wider curriculum.

**LAST DAY OF TERM
FRIDAY 18th DECEMBER**

**1.30pm
DISMISSAL**

Please ensure you are prompt in collecting your child/ren as our staff are also going to collect their families and start their holidays.

MESSAGE FROM
THE PRINCIPAL

Term 4 – Week 11 – 16/12/2020

Year 6 Graduation

What a great night was had by the students at the 2020 Graduation ceremony on Tuesday evening. Everyone's individual style and personality came to the fore in what the students chose to wear. They all looked casual and relaxed as they mixed with their friends over dinner, a dance or two and on the outdoor area of Dulap Wilim Hub. The facility was certainly a hit and will definitely be used in the future for similar events.

Congratulations to all Year 6 students on being part of a wonderful group of learners. Over the year all students have been successful in lots of different ways. Last night some students were acknowledged for their efforts in specific subject areas and for personal qualities they display.

Congratulations to the following for receiving the 2020 awards. Mrs Mills presented the English and Maths awards to Ebony & Liam respectively.

Mr Knight presented Angus with the 6A Class Award and Mrs Kite's went to Lilly.

- Science: Keira
- PE: Brooklyn & Lucas
- Art: Casey
- Citizenship: Caroline
- Music: Grace

We hope that all families were able to Zoom in, see the students receive their certificates and take part in this important milestone in their child's life.

There are lots of people who helped make sure the evening was the success it was. First and foremost, the classroom teachers Andrew Knight (Happy Birthday) and Leanne Kite. There are far too many more to mention as all staff at Sunbury Heights jump in to support each other but a special shout out to Jo Miller (our Canteen Manager) for cooking all the dinners and providing such wonderful menu choices.

We wish our exiting students and families all the best for whatever the future brings and hopefully, down the track, our paths will cross again.

Much thought has gone into the planning of the classes. There has been an opportunity for you, your child and our school staff to have had an input into the class structure. With this in mind we are reluctant to make any changes unless we have made a glaring oversight.

Our Specialist teachers remain unchanged
STEAM - Mrs Erica Andersen & Mrs Nicole Langmaid

Music – Miss Mel Brand

Auslan – Mrs Sue Cerninara & Mrs Claire Douglas

Damian O'Keefe will remain in Student Welfare

Anne Killeen will be in charge of the Tutoring Program for 2021, thanks to the Labor Government's grant.

Leave

In 2021 Jo Harding will be taking leave. I know along with us, you wish her all the best for whatever she chooses to do. Other good news is that Nicole Morris will become a mother in April. Nicole isn't listed with a class for the first few weeks but will support all students with their transition to their new year level.

Premiers Reading Challenge and Reader of the Year Award

A love of reading is something all teachers want to instil in their students. Congratulations must go to Janani who was this year's recipient of Mrs Mac's "Reader of the Year Award." Janani devours books and this year has borrowed over 400 novels. Well done Janani. Janani was also one of five students in Years 3 - 6 that completed this year's Premiers Reading Challenge. Congratulations to Tyler C, Jaxon C, Liam R and Blaise for also receiving their certificate and achievement pin.

DOJO

You will receive a farewell Dojo post from your child's classroom teacher today and, before the end of the school year, their 2021 classroom teacher will make a post introducing themselves. Please be aware teachers will not be checking Dojo over the school holiday period and any questions/concerns should be directed to the school email address sunbury.heights.ps@education.vic.gov.au

School Banking

From Term 1, 2021 the Victorian Government has ceased school banking programs in Victorian government schools. As a result, the CommBank School Banking program will no longer operate at our school after the end of this term. If you are unsure of other methods of depositing to your child's account, please feel free to contact the Bank's general enquiries hotline on 13 2221 or alternatively visit your local CommBank branch. Mrs Mac has completed a bulk order for any student who was eligible to receive a reward.
