## MESSAGE FROM THE PRINCIPAL

Term 2 – Week 4 – 16/05/19

### Education Support Appreciation Day

Education Support Staff are often the unsung heroes of our school. Today is an opportunity to highlight the role ES staff play in our school and to acknowledge their contributions.

All staff in schools work together as a team and ES staff are a vital part of that team. They work in incredibly diverse and essential roles. They make a valuable contribution to the daily running of our school.

So a big thank you to Karen Cocks, Jo Atkinson, Bev McIntyre, Lori Walters, Erin Barnes, Sharon Ramunno, Josh McPhan, Mel Page, Malcolm Salton, Tracey Baldwin, Seathu Warrior, Kristy Haack, Amanda Beggs, Jo Miller, Ann Nee See and Mel Brand for their outstanding contribution and the assistance they provide to our students, staff and parents. We appreciate the time and effort you spend in supporting all aspects of school operations. A great team effort!

### Education Week WOOF! WOOF! WOOF!

Education Week is an opportunity to showcase and celebrate excellence in education through open days, exhibitions and special events.

Education Week 2019 is the 75th year of Education Week and it aims to positively profile and celebrate the strengths and achievements of Victoria's government education sector.

The staff and students are looking forward to seeing as many of our families at our Open Night next Wednesday between 5.30 - 7.00pm. Each class has worked on a class project about Dogs and each grade has a "little dog" that they will adopt and introduce to the school community at next Friday's Assembly. Next Friday's assembly will begin at 2.20pm so that we can celebrate the end of Education Week with songs, awards and a soft toy Dog Parade.

Yesterday Marley and Brodie had great fun delivering each dog to their new homes in each class and the display of excitement from students and staff alike was wonderful to see.

A flyer with more details about our exciting week is attached.

# Heights Hi-5

Positive acknowledgment is a major component of our School Wide Positive Behaviour Support framework (SWPB). At Sunbury Heights we pride ourselves on our school values of Respect, Responsibility and Kindness. In recognition of students who are following our school values they may receive a Heights Hi-5 rewards card.

## How can students earn a Heights Hi-5?

When a student has been observed following school expectations, they may be given a Heights Hi-5 rewards card. Students who have also followed a teacher's instructions, upheld the school values, carried out a task or shown initiative, may all receive a Heights Hi-5 card. Heights Hi-5 cards will also give students the opportunity to earn points for their House (Bradman, Laver, Fraser and Elliott). Once students have received 5 Heights Hi-5 cards, they will receive 5 counters to go towards an overall 'House Reward'

## How can students redeem their Heights Hi-5 rewards?

Student rewards can be redeemed from the House of Heights Shop, our speciality developed SWPBS shop. Students can choose items from the catalogue based on the number of Heights Hi-5 reward cards they have. Once students have redeemed their reward, the process begins again and students will continue to receive additional Heights Hi-5 reward cards when they have been observed displaying the school expectations!

**Happy Birthday!**

JUST ONE THING

Young Alex from 1/2 M was so upset Tuesday night when he thought he had lost his fidget spinner and it was gone for good.

But on Wednesday morning Mrs Atkinson found it placed at the office door. As you can see from the smile on his face, Alex was extremely happy and would like to thank that anonymous kind person for handing it in.

## Fundraising News

Thank you once again to everyone who supported Kelly McDonald with the Mother's Day Stall and raffle. The amount raised this year was fantastic. We took \$3250 on the stall and the raffle made \$1300. It was the first time for a number of years that raffle books have gone home to each family and not just been available for students to buy on the day. The Parents and Friends Sub Committee of School Council have decided they would like to use the raffle funds to subsidise the Education Week Cartoon Incursion. They saw this as a way to reduce costs for families.

Please can we advise that it is important that you keep your Compass user name and password safe. This will enable you to log into Compass and enter your child's absence, as an alternative to calling the school office. It will also be required to book Parent Teacher Interviews and approve and pay for excursions later in the year.
