Fri 21 st	Whole School – END OF TERM Casual Clothes / Early Dismissal 1.30pm

A note from
the Principal

Hi everyone,
As I mentioned at our school assembly last Friday, we have been experiencing a little bit of “nuisance behaviour” from some of the students from Sunbury Downs College. We have contacted the school and let their Leadership know of the behaviour of their students. I have also asked our students to stay away from the fence line during snack and lunch and our teachers are continuing to monitor the situation. Our students will be reminded again at assembly tomorrow, but could I also ask if you could reinforce our message to your child/children until this behaviour ceases.
This morning we welcomed a rather large group of 20 adult student teachers from Japan into our school. This is a yearly event that the Japanese student teachers really look forward to. They had many questions about our school and, to say that they were impressed, would be an understatement. They congratulated us on the confidence and maturity of the students. I would like to thank our wonderful teachers for welcoming the group into their classrooms and for the wonderful manners that our students displayed. They did our school proud. Some of our students were very impressed and proud when informed that the Japanese student teachers asked to visit our school. Again, thank you to staff and students for making their visit an enjoyable one.
Mrs Mills is back at school this coming Monday and she is really looking forward to coming back and sharing all her stories with her Heights family. She is sure to be very busy catching up on everything that has been happening but is very keen to see all the students and staff.

REMEMBER
NO SCHOOL
5 – 6 November 2018

Y5/6 Camp

The Year 5/6 Students compiled an A-Z list of their camp experience...

- | | | |
|-------------------------|------------------------|-----------------------|
| A is for Adventure | J is for Jumanji | R is for Restaurant |
| B is for Bustling | K is for KFC | S is for Skatepark |
| C is for City | L is for Lollies | T is for Trams |
| D is for DOXA | M is for Multicultural | U is for Umbrellas |
| E is for Eureka Skydeck | N is for Napoli sauce | V is for Victoria |
| F is for Fun! | O is for Overwhelming | W is for Walking |
| G is for Graffiti | P is for Playground | X is for Xanthorrhoea |
| H is for Hosier Lane | Q is for Queues | Z is for Zoo |
| I is for Ice Skating | | |

STEM Challenges

Our Foundation students were required to build a new ‘wolf-proof’ house for the three little pigs. All houses proudly withstood the wolf’s huff and puff (aka hairdryer)!

Needed for Science & Technology classes – 2019

We are currently looking for donations of pre-loved Lego, building blocks, Duplo, wooden blocks or anything like this for a fun technology based activity in 2019. If you have anything that you would like to donate, please leave it at the office and we will collect.
Thanking you in advance.
Mrs Langmaid & Mrs Andersen

Numeracy Team

Welcome back & happy Term 4!

During the first week of the term, our Foundation students revised addition strategies, which included, counting on and number stories. We ended the week by reading Rosie's Walk and describing her location using positional language. It was a fun week!

Foundation addition problem

Sally has 8 cupcakes. Dan gives Sally 4 more cupcakes. How many cupcakes does Sally now have altogether? If you know the answer – let your Foundation classroom teacher know!

Sunbury Heights Primary School

the fathering project fun with bikes day

Saturday, 20 October, 2018
Charter Road East, Sunbury
12:00PM – 4:00PM

Come along and have a 'WHEELIE' good time!

NOVELTY EVENTS
For male family members and the kidsbut Mums can come along too if they wish!
Don't forget your BIKES and safety HELMETS, as safety is a priority!

SHOW YOUR SKILLS

PLUS, a sausage sizzle (gold coin donation)

Please call Damian 03 9744 3377 if you require further details

Child Safety

- walking to and from school

Please can families remind their child/ren the importance of safety when walking too and from school.

We suggest parents are aware of the route their child takes, that their child walks straight home or advises their parents of where they are and that designated crossings should be used and crossing workers should be respected.

We would also like to remind students that once they are dropped off and in the school yard, they should not leave the school grounds unless previous arrangements are made between home and the school or it is bedtime. There really shouldn't be any reason for a student to leave the grounds in the morning once they are at school.

HAPPY BIRTHDAY

18th – 24th October
