Brian & Ethan M

MESSAGE FROM
THE PRINCIPAL
 Term 4 – Week 8 – 28/11/19

Grade Lists

On Tuesday 10th December all students in the state have the opportunity to transition to a new school. We will be welcoming our Foundation students and those transferring from other schools into Sunbury Heights on this day. We hope they enjoy the day and receive a very friendly Sunbury Heights welcome. Our current students will have the opportunity to move to their next year level and whilst it may not be their 2020 classroom teacher they will be in their new space finding out about expectations and special events for the new school year. Students attending Secondary College in 2020 will go straight there.

Class Structure 2020

Taking advice given from you, the teaching staff and the students themselves, we are putting the final touches on what we feel are extremely balanced class lists. As you are aware it is very tricky at this late stage to make adjustments as one change can cause a snowball effect. I ask that you now have faith and trust in the process and know that your child will enjoy a successful and fulfilling year no matter which students are in the class or which teacher they are with. The students will meet their class teacher and visit their new grade in the last week of term.

Colour Run - Pre Schoolers and Parents Join Up

We are looking forward to seeing our families up at school next Thursday for the Colour Run and other festivities. Many of our parents have asked if their pre-schoolers or even they can get involved. The answer is YES as long as you sign a permission form and pay the \$5.00 to Liz or Jo at the office.

Curriculum Day

On Friday 6th December the school staff will participate in professional learning planning and prepare for the 2020 school year. Students will not be required at school on this day.

Via the Office

The Department have very strict guidelines around ensuring students' safety. One guideline is that parents notify the office prior to visiting the classroom. It is also an OHS Emergency Management requirement so that we know who is on site. In the remaining few weeks can you please let us know you are in the school by signing in or calling by the office to get either Jo or Liz to call your child up.

Final Assemblies for 2019

Friday 29th November 2.45pm
 Monday 16th December 2.30pm

Christmas raffle draw, this Newsletter's Student of the Week presentations and Year 6 farewells will take place at the final assembly.

Making Memories Christmas Raffle 2019

As a bit of fun and to help raise funds for the school, we will be having a Christmas Raffle.

Our theme this year is

'Making Memories'

and the prizes will include

theme park passes, movie vouchers and of course, chocolate and festive treats!

We are asking families to buy/sell

Tickets @ \$1 each.

(tickets coming home today and more tickets are available from the office if you wish to buy/sell more)

Please return the completed docket (with name and number) along with the money and/or any unsold tickets to the school office by

Friday 13 December

The raffle will be drawn at our final Assembly Monday 16th December.

Thank you for your continued support

Principal for a Day

Thank you Bailey from Year 3 and Liam from Year 1 who took on the role of Principal last Friday with gusto. It was an exciting day for them both because there had been some vandalism the night before and the police were here dusting for fingerprints and looking for DNA. The boys visited each grade explaining what had happened and even though a knife was found it was used to open up a window not hurt people. The boys enjoyed morning tea with the staff, helped out at the Heights High Five Shop and led Assembly in the last hour. It was a great day for both boys and I look forward to the next students who trade in their cards for a day spent with me!

last Friday I spent 50 cards. I was the principal for the day. It was fun I did a lot of work. Some things were fun and some things were hard. I had to talk the police. by Liam.

Thank You KIDS HOPE

The KIDS HOPE program aims to building a stronger, safer environment for children. KIDS HOPE has a dedicated and passionate team that are committed to delivering the most professional program possible.

The powerful impact that mentoring has on children in a Primary School environment has allowed Kids Hope to build communities connecting with kids. One of the mottos of Kids Hope is, 'One mentor + one child = one bright future'.

Sunbury Heights are fortunate to have the opportunity to be part of the program. We would like to thank Mandy and Rosa for all the work they have done in the school this year building relationships with our students. This program will be continuing in 2020.

KINDNESS RESPECT RESPONSIBILITY

Student of the Week

Presented at Assembly on Monday 16th December at 2.30pm
