Each week, our students take on the important job of selecting our **Staff of the Week** and the **Indigenous Deadly Award** winner. It's their way of celebrating the amazing people who make our school such a great place to learn and grow!

🎉 We like to celebrate efforts of hard work, kindness, and dedication to making Sunbury Heights a better place.

Whether it's helping out a friend, showing resilience, or simply bringing a smile to everyone's face, they've earned their spot in the spotlight!

This is our chance to give a special shout-out to those that have been chosen by our students as **Staff of the Week**!

We love seeing our students recognize the incredible efforts of our teachers and staff who go above and beyond every day.

And let's not forget our **Indigenous Deadly Award** for those who embody strength, culture, and community spirit! 🌿 🔥
