

HEIGHTS HEADLINES

Term 4 | Week 6 | 2024

NEWS

Remembrance Day

On Monday 11 November, students and staff at SHPS paused to honour those who served and sacrificed for our country. In a moving display of respect, we observed a minute of silence reflecting on the courage and sacrifices made by men and women in times of war and conflict. As part of the service, our School Leaders, Mitchell, Faith, Elizabeth, and Hayden accompanied Mr. Toose at the Sunbury Cenotaph, as they joined local community members in a wreath laying service paying tribute to those who have served. We are incredibly proud of our school community demonstrating the qualities of empathy and leadership that we hold at Sunbury Heights.

Foundation Swimming Program

We are excited for our Foundation students to dive into their Swimming and Water Safety Program starting next Monday 18 November. This program is a fantastic opportunity for students to build confidence and essential skills in the water. To help everything run smoothly, we kindly ask parents to prepare students each morning by dressing them in their swimwear before school. This will save time and make transitioning into lessons much easier. Please also remember to pack a change of underwear, a towel, and other necessities clearly labelled with your child's name. As lessons may overlap with regular snack and lunchtime, we ask that parents pack extra lunch and snacks for the week. Additionally, please note that no Canteen orders will be available for Foundation students during the program.

NEWS

Bike Safety

We are thrilled to see more students riding their bikes to school as the weather warms up! It's wonderful to watch our bike rack filling up each morning. Riding to school is not only a fantastic way to stay fit, but it also helps students develop confidence, independence, and a sense of responsibility. As more students take to two wheels, we want to remind everyone about the importance of road safety and helmet use. We encourage all families to review safe riding practices with their children, including following road rules, using crossings and staying aware of other vehicles and pedestrians. We are proud of our students for showing our school values of Respect and Responsibility by riding safely and being considerate to others on the way to and from school. We thank our families in supporting efforts to keep our students safe while they enjoy the fun of cycling!

EVENTS

Year 5/6 'Build a Business' Carnival

Our Year 5/6 students are buzzing with excitement as they prepare to host a mini-carnival on Tuesday, 26th November, as part of their 'Build a Business' Inquiry project! This event is weeks of our students' hard work and preparation, with students fully involved in the process of planning, budgeting, advertising, and practicing their selling skills. The carnival is an invite to all students who can bring up to \$5 to spend at the stalls. From fun games and activities to delicious food, drinks, and special treats, there will be something for everyone to enjoy! Year 5/6 students have poured creativity and effort into each stall, and the event promises to be a fun day for all. Keep an eye out for posters around the school by the end of this week. We can't wait to see our students bring their carnival ideas to life.

DATES FOR YOUR DIARY

NOVEMBER

- ❖ 15 - Robotics
- ❖ 18-22 - Foundation Swimming
- ❖ 22 - Christmas Donations Due
- ❖ 26 - Yr 5/6 Build a Business
- ❖ 27 - Italian Day
- ❖ 29 - Yr 5/6 Rugby Gala
